## I. PURPOSE OF THE PLAN

This Plan addresses security measures for an establishment whose use shall require a Security Plan pursuant to Tempe City Code, Section 11-30.

This Security Plan's purpose is to comply with the Security Plan conditions and/or requirements set forth in a Use Permit; to address the concerns of the zoning ordinance regarding: any significant increase in vehicular or pedestrian traffic, adequate control of disruptive behavior both inside and outside the premises, compatibility with surrounding structures and uses, any deterioration of the neighborhood or to the downgrading of property values; and to assist in providing an environment which may enhance safeguarding of property and public welfare and reduce the necessity for calls for service from law enforcement agencies.

This Security Plan, when approved by the City of Tempe, is granted to the establishment as set forth in Tempe City Code, Section 11-30. A Security Plan may be required as a condition prior to the issuance of a Use Permit or City license. Deviations from or changes, modifications or alterations to the Plan shall not occur without prior written approval of the City of Tempe. **A copy of this Security Plan must be kept on the premises at all times and shall be made available upon request.**
